OBJECTIVE

Junior Petroleum Engineer seeking internship opportunities for summer 2024 in the oil and gas industry.

EDUCATION

Texas A&M University, College Station, TX

- Bachelor of Science in Petroleum Engineering
- Cumulative GPA: 2.81
- Major GPA: 3.08

Expected Graduation: May 2025

EXPERIENCE

Straitline Pumps LLC - Pleasanton, Texas

Well Stimulation Field Engineer Intern

May 2023-August 2023

- Hydraulic fracturing hand and field engineer scheduled 11 days on site, 3 days off with 12 hour shifts for 5 rotations
- Shadowed closely with on-site supervisors and hands participating in routine pump maintenance
- Worked on-site and in-office with engineers on well logging and data analysis
- Participated in rigging up and rigging down process for 15 separate wells in the Eagle Ford Basin
- Worked with other contracted companies on-site learning every step of hydraulic fracturing operations
- Learned 3 different techniques of hydraulic fracturing with varying formations and pressures

Texas A&M Fischer Engineering Design Center - College Station, Texas

Student Assistant

April 2023 - Present

- Managed tool and equipment checkout needed for engineering projects or class assignments
- Assisted upperclassmen engineers in electrical and mechanical engineering capstone and class projects

Whataburger - San Antonio, Texas

Associate

July 2020 - July 2021 & May 2022- August 2022

- Optimized high traffic customer experiences ensuring thousands of specialized orders were prepared accurately
-

LEADERSHIP AND SERVICE

Society of Petroleum Engineers

Sophomore Retreat Counselor

August 2023

- Guided the introduction of incoming sophomores to Petroleum Engineering at the annual sophomore retreat
- Helped with resumé building and preparation for incoming Petroleum Engineering Sophomores

Member of Community Service Committee

August 2023 - Present

Member of Hospitality Committee

August 2022 - Present

American Association of Drilling Engineers

Director of Hospitality Committee

July 2023 - Present

- In charge of planning and oversight of American Association of Drilling Engineers food and venue preparation
