OBJECTIVE

Ambitious sophomore Petroleum Engineering student looking for a summer 2024 internship to widen understanding of the industry. Primarily interested in drilling and production positions. Open to any opportunities that will provide grant hands-on experience in the oil and gas industry.

EDUCATION

Texas A&M University, College Station, Texas *May 2026*
Bachelor of Science in Petroleum Engineering
GPA: 3.88

EXPERIENCE

Rudy's Country Store and Barbecue, Allen, Texas *June 2021-August 2023*
Team Lead

- Served in three different locations (Allen, Fort Worth, and College Station) as a vital employee trained in all store positions
- Utilized outstanding group leadership, team working, and conflict resolution skills under various unique situations and circumstances
- Operated many different types of machinery as a cook and meat cutter including multiple Oylar 1300 smokers, an industrial meat chopper, and basic pumping machinery
- Managed new employees and trained them in various positions as a certified trainer

Spiares Engineering and Surveying, Plano, Texas *June 2021-August 2021*
Surveying Assistant

- Developed familiarity and comfort working in a fast-paced, sometimes dangerous outdoor environment
 - Communicated effectively with a group of professional surveyors to accomplish a variety of projects using advanced surveying techniques and equipment
-

SKILLS

Proficient in Python and Microsoft Office (Word and Powerpoint Certified)
Exceptional written and verbal communication
Strong interpersonal and team working strategies
