OBJECTIVE

Junior petroleum engineering major seeking a summer internship opportunity with an oil and gas company.

EDUCATION

Texas A&M University - College Station, TX

Graduation: December 2025

- Bachelor of Science in Petroleum Engineering
 - Classification: Junior
 - Cumulative GPA: 3.21
-

EXPERIENCE

Sutherland Energy Co., LLC - Bridgeport, TX

May - Aug 2019 - 2023

5 Summers Experience

Workover Supervisor/RRC Compliance Assistant/Equipment Operator/ Lead Roustabout *May - Aug 2023*

- As Workover Supervisor I managed a rig pulling rods and tubing on RRL wells. Hydrotested tubing and replaced rods and pump in Graham, TX.
 - Going into my second summer as the RRC Compliance Assistant I had the responsibility of conducting H-5 pressure tests and H-15 fluid level tests with Model E Echometer.
 - I became very proficient using a skid steer and mini excavator over the course of this summer.
 - Being the lead roustabout, I was tasked with ensuring the efficient and thorough completion of a number of tasks.
-

LEADERSHIP AND ACTIVITIES

Society of Petroleum Engineers - College Station, TX

Aug 2022 - Present

Member

- Became a member the same semester that I was admitted into the Petroleum Engineering department.

Scholarship Recipient

- The Fort Worth Chapter of SPE graciously awarded me a \$1,500 scholarship each semester.

iRemember - Bridgeport Independent School District

Aug 2016 - May 2017

Project Leader

- Created the iRemember program that utilized music to assist Alzheimer's patients' memory recollection.
- One on one relationship with an Alzheimer's patient and got to see the results firsthand.
- Presented the iRemember project at an international conference and received second prize.

Sports - Bridgeport, TX

Aug 2020 - May 2021

Captain of the Football and Baseball Teams

- Voted to be the sole captain of the football team by coaches and teammates.
- One of the unofficial captains of the baseball team.
