## PROFESSIONAL EXPERIENCE

### Minco Inc.

Inventory Engineer

Conroe, Texas

January 2024 – Present

- Employed on Fridays and Saturdays throughout the semester to execute time-sensitive projects essential for shop functionality
- Developed a user-friendly computer program with a graphical user interface (GUI) for the creation and integration of 1,000+ parts into an inventory database
- Implemented a comprehensive system to manage unused raw steel inventory, encompassing parameters such as size, quality, origin, and manufacturer; Additionally, enhanced the program functionality to track 100+ of feet of leftover steel

### University Center & Special Events

Audio/Visual Engineer

College Station, Texas

May 2022 – February 2024

- Entrusted by the University to oversee the coordination of special events involving key stakeholders, often operating autonomously; The clientele served includes the Board of Regents, various College departments, Texas A&M Athletics, and external entities
- Demonstrated proficiency in managing diverse sound systems, visual setups, event logistics, and various venues to guarantee client satisfaction working events starting at 7am to as late as 12am the next day; handling hundreds of thousands of dollars in equipment
- Worked on average 15 hours per week during the semesters, and 55 hours per week during the breaks/Summer

### Texas A&M University

Teaching Assistant

College Station, Texas

August 2022 – December 2022

- Acted as a dependable and readily available resource for over 100 students navigating their initial exposure to coding concepts
- Assessed approximately 300 assignments per week alongside a team of 4 Teaching Assistants, ensuring precision in grading and facilitating effective communication between the Professor and students
- Conducted private office hours, fostering personalized one-on-one interactions with students to address their individual needs and queries

### Harvest Market

Interim Supervisor/Sous Chef

Montgomery, Texas

May 2021 – August 2021

- Managed departmental operations, including scheduling and addressing employee grievances, ensuring smooth functioning
- Supported the Head Chef by familiarizing oneself with the culinary approach and anticipating operational needs proactively
- Increased departments rating on Yelp, 1.5 stars over the course of 3 months
- Cultivated a harmonious rapport between store managers and departmental employees, fostering a positive work environment

## LEADERSHIP & INVOLVEMENT

### Lambda Chi Alpha

Social Chair, Tailgate Chair

College Station, Texas

August 2021 – Present

- Revitalized the organization's public perception through meticulously planned events executed within budgetary constraints
- Spearheaded unprecedented success in my role by orchestrating five times the number of events at one-third of the previous cost

Risk Management Chair

- Entrusted with the health and safety of our members and guests at 30 events a month
- Developed written emergency plans to handle situations like Cardiac Arrest and Anaphylactic Shock

### Conroe Highschool Varsity Tennis

Varsity Team Captain

Conroe, Texas

August 2017 – May 2020

- Chosen by peers to assume leadership responsibilities within the team
- Handled sensitive personal information and resolved conflicts, resulting in zero team member resignations throughout the tenure
