EDUCATION

Texas A&M

Petroleum Engineering Student

GPA: 2.9/4.0

- Planning on a Geology Minor

College Station, Texas
Expected Graduation: 2026

EXPERIENCE

Patterson UTI Drilling

Floor hand / Drilling intern

Patterson UTI is a tier 1 drilling company based in Houston with reach across the United States.

Houston, TX
May 2023 – August 2023

- Learned the drilling aspect of the industry while working as a roughneck over 3 hitches
- Interfaced with multiple companies and was able to help out Haliburton cementing
- Found, assessed, and helped fix problems with pumps, generators, and shakers
- Optimized rig manager's budgeting system and generator management system
 - Saves about an hour a week
- Observed the work and projects of Drilling Optimization Engineers on and off the rig
- Learned to spot potential blowouts and detect errors with the rig purely through data
- Learned the logistics of moving rigs

Hubbard Swim Summer Camp

Counselor/Lifeguard

Phoenix, AZ
April 2020 – August 2021

Christ Church Lutheran Summer Camp

Camp Counselor

Phoenix, AZ
April 2017 – August 2019

LEADERSHIP

Boy Scouts of America

Eagle Scout

2019

- Achieved this rank over 5 years, during which I held many roles.
- Led a multi day Eagle Scout project that revamped a homeless shelter in my community.

Congressman Schweikert(AZ 1st congressional district)

Nomination to the United States Military Academy at West Point

2022

- Through the process of seeking congressional nominations I interviewed with Congressmen, Senators, and their teams to assess my leadership potential and drive.
 - I later received an appointment to the United States Military Academy, which I declined for personal reasons.

Society of Petroleum Engineers

Energy4Me Co Chair

2024

- K-12 student outreach oriented committee attempting to get students interested in oil and gas
- Helped host school visits and and plan oil and gas related university events
