PROFESSIONAL EXPERIENCE

Owner Stukenborg Pressure Washing, Katy, TX

March 2020 - Present

Entrepreneur

- Observed a local lack of pressure washing services. Obtained tools and necessary equipment to perform top-quality pressure washing service.
- Developed and executed marketing strategy using flyers and social media highlighting before and after actual pressure washing jobs to capitalize on current operations.
- Grew pressure washing business from driveways and sidewalks to a local private school.

Wild Well Control – Houston, TX

June 2023 - August 2023

Engineering Intern

- Worked under the engineering department.
- Helped the engineering team work on well control problems; listened in on meetings and on urgent well control calls.
- Discussed options and solutions for a variety of well-control problems from clients.
- Learned the basic concept of mud gas separator, and max flow rate to prevent flow back to shakers and the flare line stack.

Helmerich & Payne (Rig 260), Mansfield, LA

June 2022 - August 2022

Intern/Floorhand

- Safely executed general maintenance on rig floor.
- Strapped, rigged up, and ran 22k feet of 5" production casing on two wells that were batch-drilled on a four-well pad.
- Tripped into/out of wellbore. Some experience with iron roughneck. Assisted mixing chemicals on pits to keep mud properties within spec.
- Safely and efficiently conducted all manual labor tasks on the drilling floor.
- Assisted driller with keeping up with well-control kill sheet, volumes, and calculations.

Wild Well Control - Houston, TX

June 2021 - August 2021

Intern/Floorhand

- Worked within the engineering department.
 - Sat in on the IADC Well Control Surface / Subsea BOP stack well control course; wasn't able to take the test.
 - Helped the engineering team work on well control problems; listened in on meetings and urgent well control calls.
 - Discussed options and solutions for a variety of well-control problems from clients.
 - Used Excel to generate kill sheets for vertical wells, with necessary equations and notations.
-
