

Bryce Harter

Jourdanton, Texas | (830)-570-6935 | bryce.harter@outlook.com

EDUCATION

Texas A&M University, College of Engineering
Bachelor of science in Petroleum Engineering

College Station, Texas
May 2027
GPA: 3.0

EXPERIENCE

Bee USA

Austin, Texas

Engineering Intern

May 2024 – Current

- Worked on multiple projects for 15 different U.S. Airforce bases performing HVAC inspections and providing efficient solutions to maintain a more sustainable and efficient energy system
- Continuing my internship as a student worker, while conducting the same workload and averaging 25-30 hours a week
- Analyzed data collected in field testing to be processed and written in a report-style format
- Performed a multitude of calculations and equipment analysis to provide accurate recommendations to improve the energy efficiency for clients

Doug House

Jourdanton, Tx

Ranch Hand

June 2023 – December 2023

- Learned to care for animals and general care for about 100 head of cattle and other livestock
- Performed a multitude of different maintenance and repairs on a variety of motor vehicles such as bulldozers, skid steers, and ranch trucks
- Developed strong problem-solving skills, consistently finding effective solutions to complex challenges

Patrick Handley

Bigfoot, Tx

General Labor

May 2021 – July 2021

- Excelled in a multitude of manual labor activities such as fence building and landscaping
- Developed and improved my carpentry skills by building various structures throughout the property including a shed, doghouse, and chicken coup
- Demonstrated enhanced problem-solving abilities, consistently identifying and implementing effective solutions to complex challenges

LEADERSHIP & ACTIVITIES

Society of Petroleum Engineers

College Station, Texas

Member

July 2024 – Current

- Attended a variety of events and other activities with oil & gas industry professionals
- Participated in the sophomore retreat, refining my interviewing skills, resume and elevator pitch

Vacation Bible School

Devine, Texas

Coordinator and Teacher

June 2018 – Current

- Coordinated and organized a full week of activities and logistics for 30-35 people, including food, games, and learning experiences
- Put together lesson plans, taught valuable lessons, learned excellent people skills and new ways of handling stressful situations
