OBJECTIVE

Seeking a full-time position as a Petroleum Engineer beginning summer 2025

EDUCATION

Texas A&M University | College Station, Texas May 2025
Bachelor of Science in Petroleum Engineering | PVP Program - Pete Ventures Certificate
Major GPA: 3.02 | Cumulative GPA: 3.01

WORK EXPERIENCE

AMTEX Energy, Inc. **Fort Worth, TX**
Petroleum Engineering Intern May 2024 – August 2024

- Assisted in prospecting new areas of interest through extensive data mining
- Streamlined asset management by transitioning company assets into Peloton WellView
- Completed AAPL Petroleum Economics and Ethics Course
- Visited a frac job site to observe the pumping of frac stages and other site operations
- Led target delineation efforts for a key asset and contributed to the selection of the next production interval.

FESCO Ltd. **Bryan, TX | Alice, TX**
Petroleum Engineering Intern May 2023 – May 2024

- Operated gas chromatographs and conducted analysis of gas samples sourced from diverse locations across the state
- Demonstrated expertise in navigating Ngas software to generate comprehensive gas analysis reports, delivering data to partner companies
- Engaged in an observation of the PVT analysis process and gained valuable knowledge regarding liquid laboratory studies
- Collected gas samples from various locations and examined liquid capture procedures
- Developed a foundational understanding of field equipment and operations
- Visited a lithium extraction site and witnessed the extraction process
