(573)388-6911, Cape Girardeau, MO, ghurleymvp@gmail.com

EDUCATION

Texas A&M University

*Bachelor of Science in Petroleum Engineering,
College of Engineering*

College Station, Texas

May 2025

Cumulative GPA: 2.9 / 4.0

PROFESSIONAL EXPERIENCE

Chevron - Gulf of Mexico

Subsurface Intern

Covington, Louisiana

May 2024 – August 2024

- Developed a model to analyze the efficacy of a dump flood injector opportunity to maximize company reserves with influence from cross-functional teams, emphasizing economic viability and minimizing carbon footprint for a deep-water Gulf of Mexico reservoir.
- Established reservoir engineering knowledge related to the characterization and definition of new opportunities for the company.
- Actively participated in employee network events to build relationships, advocate, and incubate new ideas to foster a healthy culture and align myself with The Chevron Way.

Jetta Operating Company

Operations Intern

Fort Worth, Texas

May 2023 – August 2023

- Researched, analyzed, and worked towards implementing the latest advancements in AI-powered camera technology for leak detection in oil and gas facilities to limit environmental impact and protect company assets.
- Performed rod lift design and analysis, optimizing artificial lift systems for efficient production, and maximizing well performance while keeping the wells economics at the forefront of decision making.
- Participated in site visits, gaining practical insights into field operations, and developed a comprehensive understanding of oil and gas production techniques.

Kanakuk Camps K-Seven

Camp Counselor

Lampe, Missouri

May 2021/22 – July 2021/22

- Facilitated and led twelve kids per week in sports related activities and small group discussions while instilling camp values.
- Ensured that the policies of camp were carried out to establish the safety and well-being of over three thousand campers a summer.
- Administered written and verbal evaluations of campers to their guardians.

LEADERSHIP & INVOLVEMENT

Beta Upsilon Chi (BYX)

Events Chairman

College Station, Texas

January 2023 – December 2023

- Successfully organized and managed our Formal and Semi-Formal events for over 500 attendees each with a budget of \$27,000.
- Demonstrated exceptional skills in coordinating logistics, securing venues, arranging catering services, and ensuring a seamless experience for members and their dates all while staying under budget.

Traditions Chairman

January 2022 – December 2022

- I planned and executed three major events for our 250 plus members and their families. This includes Mom's Day, Dad's Day, and Bid Day Celebration.
- Successfully managed a large budget in conjunction with my vice president and other committee chairmen.

IMPACT Retreat

Prayer Teamer

College Station, Texas

October 2022 – December 2023

- Equipped counselors with essential skills, techniques, and knowledge, enabling them to excel in their roles and create a positive impact on incoming students during the retreat.
- Attended weekly leadership meetings, organized, and facilitated weekly camp prayer meetings for counselors in the spring semester.

Retreat Counselor

January 2022 – December 2022

- Impact is a retreat that introduces first year students into the Christian body of the Bryan/College Station area.
- I co-facilitated a group of ten incoming students in small group discussion and activities throughout the four-day retreat.
- Lead the organization and execution of events outside of retreat.

Society of Petroleum Engineers

Member

College Station, Texas

August 2021 – Present

- I have gained knowledge, skills, and connections within the industry through SPE hosted events.
