PROFESSIONAL EXPERIENCE

Griffin Mowing Co.

Founder and Self-Employed

Sherman, Texas

May 2016 – August 2024

- Managed +20 yards and relations with customers over a timeline of 8 years while in school
- Travelled door-to-door in my neighborhood selling my lawn services: Mowing, Weed-eating, Edging, Blowing & more
- Powered through the heat of the summer with my own equipment reinvestments of commercial push mower and other tools

Walmart

Online Grocery Pickup

Denison, Texas

October 2020 – February 2022

- Led team of 40 people through more efficient process to reduce wait times from an average of 10 to 4 min for customers
- Balanced ~24hrs/week with high school course load as well as multiple high achieving extracurriculars
- Developed method to generate more revenue for Walmart by housing more orders with my team of 40 coworkers
- Successfully augmented our capacity of 100 daily orders to housing and completing 400+ daily with my method in under a year
- Organized general system for fellow employees to safely and efficiently load customers' personal orders into their cars based off item classification and customer's available space in vehicle

SUMMER EDUCATION

Numerical Methods

Student

College Station, Texas

May 2024 – July 2024

- Studied and used multiple common numerical methods with Python to solve problems which can't be solved analytically that engineers utilize across petroleum engineering disciplines

PROFESSIONAL ORGANIZATIONS & ACTIVITIES

Fish Camp

Camp Counselor

College Station, Texas

March 2023 – August 2023

- Organized 7 educational skits with a team of fellow counselors and subsequently collected personal responses from freshmen to conclude we successfully educated and entertained them at camp
- Led group of 6 freshmen through 9 activities to educate them on A&M traditions, prepare them for their upcoming journey through A&M, and familiarize them with the other freshmen in the camp
- Utilized excellent time management to balance the intensive travel and schedule demands that Fish Camp Counselors endure

Society of Petroleum Engineers (SPE)

Hospitality Committee Member

College Station, Texas

August 2023 – Present

- Diminished the amount of trash after SPE events with the Hospitality Committee
