*Silver Creek Oil and Gas*

Conducted in-field production operations in North Texas including: Shooting fluid levels on producing wells, gaining hands-on experience with production systems/maintenance, and assisting with perforation jobs and re-entries. Working with Artificial Lifts: ESPs, Plunger, and Gas Lift.

---

### TALENTS / SKILLS

*Effective Communication:*

Strong communication skills, both verbal and written, developed through interactions with customers and colleagues. Essential to a start-up business and solidified while working part-time.

*Time Management:*

As a full-time student, I have acquired the concept of time management that is needed to balance academic responsibilities and part-time employment all while maintaining a commitment to pursue entrepreneurial interest.

*Initiative:*

Took the initiative to conduct research and identify a target demographic. Independently learned new skills and technologies contributing solely to understanding creating a business.

---

### CERTIFICATIONS / ACTIVITIES

*International Well Control Forum (IWCF) Level 1:*

Introduction to parts of an Onshore Drilling Rig and the importance of most components.

*Society of Petroleum Engineers (SPE):*

Co-Director of Merchandise 24' - 25'
