College Station, Texas | 8328209346 | cs131007525@tamu.edu

## OBJECTIVE

---

Motivated Petroleum Engineering student seeking dynamic internship opportunities in the oil and gas sector. Committed to delivering quality solutions in exploration and production.

## EDUCATION

---

**Texas A&M University**, College Station, Texas

*Bachelor of Science in Petroleum Engineering*

December 2026

GPA: 3.1

## EXPERIENCE

---

**Army**

Houston, Texas

*SPC, IN 340<sup>th</sup> CHEMICAL COMPANY*

March 2021 – March 2029

- Achieved top graduate status in the 74D Advanced Individual Training (AIT) program, showcasing exceptional mastery of technical modules and exemplary leadership performance.
- Executed precise inventory management procedures, resulting in a 20% reduction in supply discrepancies and improved logistical accountability.
- Demonstrated exceptional teamwork and leadership skills as a 74D in the Army, fostering cohesion and unity within the unit to accomplish mission objectives efficiently and effectively.

**Latshaw Drilling**

Big Springs, Texas

*FLOORHAND INTERN, RIG 10*

May 2024 – August 2024

- Exhibited ability to perform under pressure, handle strenuous tasks, and contribute effectively to team efforts, showcasing resilience and work ethic essential for the oil and gas industry.
- Gained firsthand knowledge of drilling operations through direct, on-the-ground experience, demonstrating a solid understanding of the industry's demands and complexities.
- Developed the ability to communicate effectively and build rapport with diverse teams in high-pressure situations, crucial for ensuring teamwork and safety on an oil rig.

## LEADERSHIP

---

**Boy Scouts of America**

Houston, Texas

*EAGLE SCOUT*

December 2014 – August 2022

- Led a collaborative effort to construct four 8-foot picnic tables, overseeing every aspect from inception to completion, emphasizing teamwork and dedication throughout the project.
- Led recruitment efforts as troop leader by engaging with cub scouts at join events, leading to new enrollment of 25 new boys.
- Organized and executed a diverse range of activities, including weekly meetings, bi-weekly campouts, three fundraising events a year, eagle projects, and one high adventure annually.

## SKILLS, ACTIVITIES & INTERESTS

---

**Technical Skills:** Proficient in Python and Microsoft Office

**Certifications & Training:** International Well Control Forum Level 1, Hazmat Ops Certification

**Activities:** Society of Petroleum Engineers (SPE), American Association of Drilling Engineers (AADE)

**Interests:** Duck Hunting, Jiu Jitsu, Hiking, Fishing
