

MICHAEL LACEY

+1 (805) 758-7454

mal6653@tamu.edu

Texas A&M student veteran with upstream oil field experience and U.S. Navy training in search of full-time drilling or production engineering opportunities.

EDUCATION

Texas A&M University, College Station, Texas **08/2021 – 05/2025**
Bachelor of Science in Petroleum Engineering, Graduating: May 2025
Cumulative GPA: 3.22 Major GPA: 3.38

University of California at Riverside, Riverside, California **08/2015 - 12/2017**
Completed 112 credit hours toward a B.S. in Biochemistry

EXPERIENCE

Lewis Energy Group, Encinal, Texas **06/2024 – 08/2024**
Production Engineering Intern

- Led and designed the initiative to replace natural gas pneumatic controls with instrument air at six locations, becoming EPA compliant and saving \$42,000 per year
- Implemented corrective actions for underperforming wells by utilizing artificial lift systems to bring production rates back above target
- Accompanied operators and field technicians to gain hands-on exposure to production facilities and fracking, slickline, and workover operations

Ensign Energy Services, Houston, Texas **06/2023 – 08/2023**
Drilling Operations Intern

- Executed the responsibilities of each team member on a triple-sized oil rig while drilling, tripping, circulating, and rig moving
- Monitored rig equipment and well conditions by taking logs and using stop-work authority when necessary
- Performed extensive maintenance on a drilling rig top drive, mud pump, iron roughneck, and various electrical and mechanical equipment across location

U.S. Navy, Charleston, South Carolina **07/2018 - 09/2020**
Nuclear Electronics Technician

- Assistant Class Leader of Nuclear Field 'A' School class 1905-T
- Graduated 20% ahead of prototype qualification curve (class rank #3)
- Performed startups, shutdowns, and casualty drills as Reactor Operator aboard a U.S. Navy submarine

AFFILIATIONS

- American Association of Drilling Engineers **08/2024 - Present**
- Society of Petroleum Engineers, Texas A&M Student Chapter **08/2022 - Present**
 - Mentorship Committee **01/2023 - Present**
- Volunteer Ranch Hand, Snook, Texas **05/2023 - Present**
