

Daniel Godinez

Houston, TX | 832-297-0069 | danielgodinez1410@gmail.com | [LinkedIn](#)

EDUCATION

Texas A&M University - College Station, TX

Graduation 2027

- GPA: 3.4 Petroleum Engineering

Objective

Motivated Petroleum Engineering Students with a strong academic foundation seeking an internship in the energy industry. Passionate about applying engineering principles to real-world challenges, with particular interest in drilling engineering, fluids and a lot more. Aiming to gain practical experience in the industry to innovate solutions that drive efficiency and safety. I am eager to learn engineering insights of the energy sector and make the company some money.
