Education

Texas A&M University

*Bachelor of Science in Petroleum Engineering
College of Engineering*

College Station, Texas

*Exp. Graduation: May 2027
Cumulative GPA: 3.10/4.00*

Professional Experience

The Home Depot

Freight / Receiving Team Associate

North Richland Hills, Texas

January 2022 – Present

- Work summer and winters in between school to advance my own education, gaining a trust with management as to continue full-time status despite being a seasonal employee, often filling in positions and working days and nights whenever needed.
- Unload large freight deliveries with often 2000-3000 pieces, including pallets of lumber, mulch, and concrete, in a small team setting. Promoted to receiving associate for communicating and leading team associates in unloading deliveries in a safe and timely manner, often with the use of heavy lifting equipment.
- As receiving associate, gained further responsibility in communicating with outside vendors and contractors to coordinate and schedule incoming and outgoing truck deliveries, on top of continuing to unload them.
- Maintain a firm and composed attitude, along with sharp communication skills, in dealing with both customers, team associates, and vendors/contractors to meet both our needs and theirs.
- For the past two years, annually been selected to work with a small team of 5-8 associates in doing inventory, tasked with efficiently counting and recording on-hand product and assigned a strict month deadline, sharpening both prioritization and time management skills.

Abuelo's Mexican Restaurant

Server Assistant

North Richland Hills, Texas

May 2021 – August 2021

- Responsible for bussing tables, aiding servers in bringing out food, and aiding hosts in seating and scheduling guests.
- Gained multiple promotions which included new responsibilities such as closing the kitchen and maintaining décor.

NRH2O

Deep Aquatics Lifeguard

North Richland Hills, Texas

May 2020 – July 2020

- Responsible for keeping safety of guests, operating attractions, and opening/closing the park.
- Employment was cut short due to Covid.

Involvement

Society of Petroleum Engineers

Member

College Station, Texas

August 2024 – Present

- Gained valuable information and established professional connections in the upstream, midstream, and downstream processes within the petroleum industry through events such as the Career Enhancement Event and guest seminars hosted by industry professionals.
- Developed a network with fellow students through involvement in activities like SPE study nights and SPE intramural sports.

Christian Engineering Leaders

Member

College Station, Texas

August 2023 – January 2024

- Member of the outreach committee where I participated in and established connections with charitable organizations around the community, such as Kars4Kids, developing leadership skills such as communication and planning within a group of fellow engineering students.

Honors, Skills, and Activities

Honors: Rocco C. Caffarelli Scholarship (Fall 2022 – Present), Dean's Honor Roll (Fall 2023), THSCA 1st Team Academic All-State (January 2022)

Skills: Excel and Python, Heavy Lifting Equipment
