Hunter Brewster

Needville, Tx • (832) 535-4434 • Huntabrew06@gmail.com

EDUCATION

Texas A&M University — **College Station, Tx**
Bachelor of Science in Petroleum Engineering — *May 2028*
College of Engineering — *Cumulative GPA: 3.30/4.00*
Petroleum Ventures Program (PVP) Certificate

PROFESSIONAL EXPERIENCE

Scout Energy Partners — **Andrews, Tx**
Field Operations Engineering Intern — *May 2026 – August 2026*

- Collaborate with pumpers, workover crews, I&E technicians, and well technicians to gain hands-on experience in field operations, maintenance, and troubleshooting.
- Led an engineering evaluation to identify rod pump wells suitable for conversion to plunger lift systems, improving production efficiency and reducing operating costs.
- Analyzed well performance data and recommended pumping unit optimization by reallocating units between wells to better match production requirements.

Neal & Alline Briers — **College Station, Tx**
Farm & Ranch Property Management — *April 2025 – Current*

- Work for a private farm/ranch property, which includes grounds upkeep, equipment use, repairs and property improvements.

LJA Engineering — **Houston, Tx**
Environmental Intern — *June 2025 – August 2025*

- Maintained accurate field logs and chain-of-custody documentation to ensure data integrity for lab analysis.
- Interacted with a wide range of stakeholders including property owners, contractors, and municipal personnel. Demonstrating strong communication and professionalism in diverse environments while conducting field samples.

Third Coast Air & Heat — **Needville, Tx**
HVAC Apprentice — *June 2023 – August 2024*

- Aided in the installation, maintenance, and repair of HVAC systems, including diagnosing issues and performing preventative maintenance to ensure efficient operation.
- Collaborated with senior technicians to ensure compliance with safety standards and building codes, while gaining firsthand experience with tools, equipment, and industry best practices.

Docks Decks & Bulkheads LLC — **Brazoria, Tx**
Foreman Apprentice — *June 2021 – August 2022*

- Supported the planning and execution of marine construction projects, including pile driving, dock building, and shoreline stabilization, while ensuring adherence to project specifications and timelines.

LEADERSHIP & INVOLVEMENT

Aggie Club of Engineers (ACE) — **College Station, Tx**
Quartermaster Committee — *September 2024 – Present*

- Co-Managed the delivery and pickup of Aggie Ring Dunk platforms by utilizing GroupMe to coordinate rental services with close to a dozen peers.
- Directed and managed event setup and takedown for multiple events, overseeing teams of 20+ and ensuring seamless operations, resource allocation, and timeline adherence.

Society of Petroleum Engineers (SPE) — **College Station, Tx**
General Member — *September 2024 – Present*

- Collaborate with industry professionals and peers through networking events, technical seminars, and workshops to stay updated with advancements in petroleum engineering and energy management.
