Education

Harold Vance Department of Petroleum Engineering at Texas A&M University, College Station, TX

May 2028 *Bachelor of Science of Petroleum Engineering*

Profile

Academically classified as a Junior at Texas A&M working toward a Bachelor of Science in Petroleum Engineering with a expected graduation date of May 2028. Hardworking and determined student with exceptional communication and problem-solving skills. Resilient in every step of my academic journey towards ultimately becoming a Petroleum Engineer. I am result driven and motivated to pursue my academic and professional goals, pushing beyond what is asked of me.

Employment Experience

H.E.B. LP Order Selector – San Antonio, Texas June – August 2024

- Selected cases of products and organized them on pallets to be sent to H-E-B Stores while prioritizing accuracy and quality in work assignments.
- Completed work assignments in a timely manner; used time efficiently and productively in support of facility goals for on-time release of trailers.
- Operated equipment per Standard Operating Procedures to prevent equipment/facility damage.

IG77 Logistics/Rolling J's (Sand Hauler) Truck Hand – San Antonio, Texas July 2023 – August 2025

- Accompanied and assisted my father as an owner operator managing and delivering frac sand to wells undergoing fracturing operations through 5F for Halliburton.
- Managed load data electronically through 5F's load/assignment tracking software.
- Prepared and secured sandboxes for delivery to wells by setting locks and communicating load information with Halliburton lift operators.

Leadership & Organizations

Texas A&M University - Corps of Cadets (August 2023 – Present)

7th Battalion Staff – Cadet Executive Officer April 2026 – Present

- Oversee all department and developmental operations for 4 cadet companies consisting of over 200 individuals in a military-like environment.
- Partake in future cadet operations at various Corps levels on a weekly basis.
- Participate in weekly meetings with Corps and battalion staff to obtain and disseminate information to cadet companies across the battalion.
- Responsible for coordinating outfit involvement in university and Corps events 2-4 times per month.

Ross Volunteer Company – Company Armory Sergeant August 2025 – Present

- Provided the selfless opportunity to serve as the symbol of this university as the honor guard of the Governor of Texas and maintain relationships with a multitude of prominent former students.
- Manage, prepare, and handle performance rifles (72 rifles) and equipment for 144 members.

Society of Petroleum Engineers Student Chapter – General Member August 2024 – Present

- Participate in weekly technical discussions and industry speaker events, building relationships with peer groups and industry professionals.
