OBJECTIVE

I am a Petroleum Engineering student at Texas A&M University seeking a Fall/Spring/Summer 2026/2027 PETE internship/co-op with a petroleum company to apply petroleum coursework, leadership, and analytical problem-solving skills to support upstream/midstream operations safely and sustainably.

EDUCATION

Texas A&M University, College Station, Texas *May 2028*
Bachelor of Science in Petroleum Engineering GPA: 3.1

ACTIVITIES

The Society of Petroleum Engineers, College Station, Texas *February 2024 – Present*
Member - Recruitment Director

- Collaborated with peers/industry professionals through guest lectures, networking events, and weekly committee meetings.
- Engaged in professional development by attending seminars, conferences, and using the SPE eMentoring service.
- Fostered a welcoming environment for freshmen by pitching the PETE major to them through the Recruitment Committee.
- Organized Energy Rush & Club Crawl, introducing freshmen engineers to PETE engineering opportunities and networking events.

Fish Camp, College Station, Texas *April 2025 – Present*
Second-year Volunteer Counselor

- Collaborated with 26 other counselors to provide a 3-day summer camp experience for incoming freshmen, for the purpose of educating students on Aggie traditions, student organization opportunities, resources, and student life.
- Mentored a group of 100+ incoming freshmen through their first year of college by building personal relationships and maintaining a line of communication throughout their freshman year.

Legion Men's Organization, College Station, Texas *August 2025 – Present*
Member - Social Chair

- Planned 7 tailgates and managed 15+ people for the setup and cleanup of all tailgates.
- Managed a $24,000+ budget while reducing expenditures by roughly $1,000 to fund a state-of-the-art 15'x15' tailgating tent.
- Organized 10+ mixers with various TAMU women's organizations and facilitated setup and cleanup for every mixer.
- Collaborated with Legion's executive council each week for planning new member outreach and bonding.

EXPERIENCE

Trinity Baptist Church, San Antonio, Texas *May 2024 – Present*
Part-time Assistant Caretaker/Ukulele Instructor

- Instructed a class of 15 preteen students, preparing them for a recital over the course of 3 months.
- Engaged with preteens, fostering a welcoming environment and encouraging growth in Christ.
- Nurtured 5-10 infants and toddlers and facilitated activities such as naptime, snacktime, playtime, dropoff, and pickup.

Target, College Station, Texas *May 2026 – Present*
Guest Services Advocate

- Followed safe, efficient handling procedures when delivering furniture and appliances weighing over 100 lbs.
- Promoted Target Circle benefits and assisted guests with available promotions, while maintaining efficient customer service.
- Managed breaks for a team of 5-10 employees, ensuring each guest service station was occupied and running smoothly.

SERVICE

Trinity Baptist Church , San Antonio, TX *June 2020 – Present*

- Amassed 100+ hours of community service through my church.
- Organized and advertised food drives to the San Antonio community for the less fortunate.
- Prepared and delivered Christ-centered lessons to 15+ preteens for Sunday School 4 times 1 month, each summer.
